ADJOURN

Youth PQA Plus Certification will be available to all youth attending the seminars.

PQA Plus Rebates Available!

IPPA, NPPC and NPB are continuing to offer a rebate for producers that have completed their PQA Plus site assessment. Producers may receive a \$100 rebate per site assessed and may request the rebate for a maximum of 2 sites per premise registration number.

Site assessments done prior to November 16, 2011, are not eligible. Rebate funds are limited and available on a first come, first served basis.

Contact Tim Maiers at the IPPA office with any questions about the program or visit www.ilpork.com for more information and to download the rebate form.

Seminars sponsored by Automated Production Systems
